## Principal's Message

Dear Parents/Guardian,

It is hard to believe that we are already in December. The year is flying by. As I reflect upon the year I think it is so important to think of all the positive moments you have had, despite the current circumstances. I am so happy we are in school with students each day!

We would like to thank everyone that was able to connect with their child's teacher over virtual interviews. It is a great opportunity to connect with your child's teacher and help to encourage their academic success. We continue to encourage you to speak to your child's teacher to communicate about your child's successes all year round. We know our staff work very hard to make themselves available via email, google classrooms and phone.

December is a busy month at school. Although we will have to do things a bit differently this year we are confident we can make some great memories with our students. We have attached all the fun activities in the newsletter and they will be posted online..

On behalf of everyone here at Heximer Avenue, we hope all of our families use the 2 week winter break as a time to re-connect with family and hope that everyone has a great holiday season and Happy New Year and remains safe and healthy!

## Virtual Holiday Celebration

Normally we would love to welcome our Heximer Avenue community in to watch a Holiday Concert. Given the circumstances this year we are unable to do that. Instead, each class will be preparing something that will be shared virtually to you. They are already hard at work creating something. We know this is not the same as a usual Holiday Concert, but we are sure you will enjoy. I will also send a link out for you to join in to the Virtual Assembly at 11:20 on December 16th if you so wish. I cannot wait to see what each class has prepared!

## Calling all SK'S

## Dressing for the weather!

At the DSBN, French Immersion starts in Grade 1

**Save the Date** | TUESDAY, DECEMBER 15th 2020

6:30-7:00PM

Please join us for our Virtual Information Night for families considering French Immersion!

Go to [dsbn.org/fi](https://dsbn.org/fi) to register!

Students will be continuing to spend a lot of time outside. Students are outside before school and for 2–20 minute fitness breaks even throughout the winter. They also continue to do physical education outside. It is very important for students to dress appropriate. Ensure they have hats, mitts, scarves and boots as this will help keep them warm. I would even send an extra pair of socks and mittens as well just in case.

We will begin using the gym, following specific guidelines for safety for when the weather is not participating for physical education classes. However, a portion of the day for all will be spent outside.

Outside time occasionally will not occur when there is a specific weather advisory. Let's hope for a mild winter :)

If you need help with winter weather items please email the office and we can help!

# SCHOOL COUNCIL

School councils are an integral part of the school community. We hold meetings throughout the year to discuss items pertaining to school, answer questions and to engage our school community with all the great things occurring at Heximer Avenue. If this is something that interests you and you would like to attend virtual meetings please email the school at [hex@dshn.org](mailto:hex@dshn.org). We will be sure to include you with links to our meetings so you can be a part. This is a great opportunity to be involved virtually this year.

## INCLEMENT WEATHER

Please make sure your child has the correct clothes for the weather and the season. Also encourage your child to continue wearing the appropriate clothing they arrived at school wearing. Students will be going outside at all breaks unless the weather is extremely cold or miserably wet. Students are also outside for some outdoor learning and for physical education classes. It will be important for them to have hats, mittens and appropriate footwear for the weather.

There may be times during the school year where inclement weather or other situations could cause bus cancellations or school closures.

Information about transportation changes and school closures will be available on the websites, radio and television stations listed below as soon as it is available before 6:00 a.m. on the day of the cancellation. Please do not phone the school for transportation or school closure information.
